## **BOB WEBB GROUP EXPANDING SALES EFFORTS IN LEWIS CENTER**

Lewis Center, Ohio - **Bob Webb Group** has opened a model at Little Bear Village, a single family home community adjacent to Little Bear Golf Club. Webb expects to build 38 homes of the 93 planned to be built in this 85-acre development.

“Little Bear is a unique opportunity for executives to live next to a par-3 course and adjacent to the area’s large array of service, dining and shopping amenities.” said Neil Rogers, VP of Sales & Marketing. “This market is also demanding finish options but in a home that has strong overall value. These homes will meet that demand.”

Little Bear is located off of South Old State Road in Lewis Center just one mile north of Polaris Parkway. The development features a 10-hole golf course with par-3 holes, and clubhouse which opened Summer 2007. The community is in the Olentangy school district.

The model is a “Weston” floor plan with 3,451 square feet with 4 bedrooms and 3.5 baths. Bob Webb homes in the Little Bear community start in the low \$400,000s. The model will be open Monday - Thursday 12-7pm, Saturday 12-5pm and Sunday 12-6pm.

**Bob Webb Group** was founded in 1960 by Robert Webb. **Bob Webb** is a multiple Consumers’ Choice Award recipient for Best Home Builder, and was named a finalist for the Better Business Bureau’s 2005 Business Integrity Award. There are currently more than 14 Central Ohio new developments featuring **Bob Webb** homes.
